THE MERRY MARCHING BAND

INCREDIBLE MUSICAL CLOWNISH PERFORMANCE!

UNDERPANTSBURG is home to a band, or fanfare unlike any other. Under the guidance of a pompous band leader by turns bossy and bird-brained, this merry band sets out to see the world. With plenty of humour, no small amount of eccentricity and a touch of poetry, the band of music-makers makes its merry way—with a honk and a toot and a rat-a-tat-tat—from Quebec to Brazil to Ukraine and back, with a stopover on Planet Mars!

In a resolutely modern performance that combines world music with the clown arts, **The Merry Band** introduces young audiences to brass instruments and even a little body percussion. Set to playful choreography, each number celebrates the music of a particular country, with zany antics and talented musicians making for a fun, discovery-filled performance that will leave kids eager to embark on a musical journey of their own.
